

## Learning Together, Successful Forever

Dear Parents/Carers,

It has been wonderful to see you all this week. The children have been positive, settled and have enjoyed being back together once again.

The children were very excited to find out the identities of our masked reader's during assembly on Monday. They listened carefully to the voices and clues provided to work out which members of staff were behind the mask! Thank you to all the staff who participated, Mrs Atkinson for organising the event and most importantly to the children for joining in the fun.

Thank you for all your support with our safety measures this week. Please can I ask that you continue to enter the premises at your allocated time to keep things running smoothly.

We will be continuing to use Google Classroom to post a weekly message from staff. Each Friday we will also be posting 'Mr Webb's weekend workout' to keep the children active and see if they can beat their parents!

Have a lovely weekend everyone, hope you have a Happy Mother's day.

Kind regards

Mrs Turner
