

Curriculum Intent and Breadth Map - RE

RE Intent

At Lapal, our children will learn from and about a range of world faiths, developing their knowledge of religions and allowing them to appreciate beliefs and practices, recognising diversity and values within and between communities and amongst individuals. We create an environment where children are encouraged to ask questions and to reflect on their own and others beliefs, demonstrating respect and understanding.

As world citizens, children will develop their knowledge and skills in the areas of **understanding beliefs and teachings, practices and lifestyles, how beliefs are conveyed, to understand values and be reflective.**

		Autumn		Spring		Summer
